

THE NATIONAL TOURETTE SYNDROME ASSOCIATION (TSA®) PRESENTS:
TOURETTE SYNDROME IN THE CLASSROOM, SCHOOL & COMMUNITY

A FULL DAY, TWO-PART CONFERENCE ON TOURETTE SYNDROME AND ASSOCIATED CONDITIONS

- Attention Deficit Hyperactivity Disorder (ADHD)
- Obsessive Compulsive Disorder (OCD)
 - Learning Disabilities
- Impulsivity and Behavior issues

Participants will be able to:

- Recognize and manage Tourette Syndrome in the classroom and school
- Identify the most common associated neurological disorders
- Assess the impact of TS and associated disorders on classroom performance and identify classroom strategies and techniques for working with children who have TS.

Morning Session Presenter:

Ellen Meyers, M.S. in special education, M.Ed. in leadership and administration, TSA Education Committee Member, retired School Administrator and teacher.

Afternoon Session:

A dynamic panel discussion with TSA Education Committee Members:

Kathy Giordano, B.A., national TSA Education Specialist, **Sandra Hollis**, LCSW, Social Worker, Advocate, New Mexico, **Ellen Meyers**, morning Presenter, **Judy Peterson**, B.A. in Speech Communication, Writer/ Editor, Minnesota and Arizona. TSA Education Committee members have extensive education, clinical and/ or administrative backgrounds. In addition they are parents of children with Tourette Syndrome. All have presented for TSA across the country.
