

RECENT SCIENTIFIC ARTICLES*

Thermal Sensitivity in Tourette Syndrome: Preliminary Report

L. Scahill, P.J. Lombroso, G. Mack, P.J. Van Wattum, H. Zhang,

A. Vitale, J. F. Leckman

Perceptual and Motor Skills, 2001, 92, 419-432

New treatments for tics?

R. Kurlan

Neurology 2001; 56: 580-581

Cultural Influences on Diagnosis and Perception of Tourette Syndrome in Costa Rica

C.A. Mathews, L.D.H. Amighetti, T.L. Lowe, B.J.M. van de Wetering,

N.B. Freimer, V.I. Reus

Journal American Academy of Child and Adolescent Psychiatry, 40:4,

April 2001, pp. 456-463

Regional Brain and Ventricular Volumes in Tourette Syndrome

B.S. Peterson, L. Staib, L. Scahill, H. Zhang, C. Anderson, J.F. Leckman,

D.J. Cohen, J.C. Gore, J. Albert, R. Webster

The Archives of General Psychiatry, Vol. 58, No. 5, May 2001, pp. 427-440

Obsessive-compulsive disorder: pharmacological Treatment

P.H. Thomsen

European Child & Adolescent Psychiatry, Vol. 9, Suppl.1:2000, 1/76-1/84

Current Issues in Tourette Syndrome

H.S. Singer

Movement Disorders Vol. 15, No. 6, 2000; pp 1051-1063

Cognitive-Behavioral Psychotherapy for Pediatric Obsessive-Compulsive Disorder

J. S. March, M. Franklin, A. Nelson, E. Foa

Journal of Clinical Child Psychology 2001, Vol. 30, No. 1, pp. 8-18

Pharmacotherapy for Obsessive-Compulsive Disorder

E. Hollander, A. Kaplan, A. Allen, C. Cartwright

The Psychiatric Clinics of North America Vol. 23, No. 3, September 2000,

pp. 643-655

Pharmacological Treatment of Childhood Obsessive-Compulsive Disorder: From Theory to Practice

M.A. Grados, M.A. Riddle

Journal of Clinical Child Psychology 2001, Vol. 30, No. 1, pp. 67-79

The IQs of Children with ADHD Are Normally Distributed

B.J. Kaplan, S.G. Crawford, D.M. Dewey, G.C. Fisher

Journal of Learning Disabilities Vol. 33, No. 5, Sept./Oct. 2000, pp. 425-432

Elevated D8/17 Expression on B Lymphocytes, a Marker of Rheumatic Fever, Measured With Flow Cytometry in Tic Disorder Patients

P.J. Hoekstra, J. Bijzet, P.C. Limburg, M.P. Steenhuis, P.W. Troost,

M.D. Oosterhoff, J. Korf, C.G.M. Kallenberg, R.B. Minderaa

American Journal of Psychiatry 158: 4, April 2001, pp. 605-610

Pharmacologic Treatment of Tic Disorders

L. Scahill, P.B. Chappell, R.A. King, J.F. Leckman

Psychopharmacology Vol. 9, No. 1 January 2000, pp. 99-117

Tourette's Syndrome and Related Disorders

M.W. State, D.L. Pauls, J.F. Leckman

Child and Adolescent Psychiatric Clinics of North America

Vol. 10, No. 2, April 2001, pp. 317-331

Dopamine transporter binding in Gilles de la Tourette syndrome

K.R. Müller-Vahl, G. Berding, T. Brücke, H. Kolbe, G.J. Meyer,

H. Hundeshagen, R. Dengler, W.H. Knapp, H.M. Emrich

Journal of Neurology 2000, 247: pp. 514-520

History of Tic Disorders and Gilles de la Tourette Syndrome: Part 5 of the MDS-Sponsored History of Movement Disorders Exhibit, Barcelona, June 2000

C.G. Goetz, T.A. Chmura, D.J. Lanska

Movement Disorders Vol. 16, No. 2, 2001; pp. 346-349
